BRADLEY'S PATENT ENAMEL

MADE FROM
Pure White Lead, Linseed Oil and Zinc, Chemically Combined.

Will last three times as long as the best lead and oil mixed in the ordinary way. ALWAYS READY FOR USE. SOLD BY THE GALLON.

One Gallon Covers Twenty Square Yards Two Coats.

THE PLAINS, FAUQUIER COUNTY, VA., Feb. 6, 1873.

MR. C. P. KNIGHT—SIR: The Paint came safely to hand as ordered—two kegs, five gallons each, and three buckets, one gallon each. As practice was slack I did the job myself. Two weeks, (not constant work), completed the house two coats. The last coat I applied thick and it is now generally conceded that for enamel-like hardness, and body, and harmony of colors, there is not a handsomer job in the place. I saved fifty-five dollars by the operation, which is an item just now with Southern people. It should be generally adopted in this State. Any lad can apply it. I have never dabbled in such stock as Testimonials; but I feel so forcibly the great adaptability of your "Enamel Paint" to the wants of our people, in excellence of material, in beauty of color, and in the fact of its being "already mixed," that I give you free permission, (if it is desirable to you), to make what use you think proper of this letter.

Very respectfully and truly,
S. MCGILL, M. D.

BALTIMORE, December 10, 1872.

MR. C. P. KNIGHT, ESQ.—DEAR SIR: It affords me much pleasure to say to you that the Bradley Patent Enamel Paint far exceeds my expectation in economy and beauty, and I have every reason to believe, in durability. More than twelve months since, I painted the roof of my (Hotel Mansion House) with the Bradley Patent Enamel Paint, and I was so well pleased with it, I determined to paint the outside of the Hotel, and am most happy to say it gives me perfect satisfaction. In conclusion I will say, if this testimonial will be of any advantage to you, you are at liberty to use it. Yours, truly, ISAAC ALBERTSON, Mansion House Hotel, N. W. Cor. Fayette and St. Paul Streets, Baltimore.

TO THE PUBLIC.—It affords me much pleasure to state that in July, 1871, Front Street Theatre was painted inside and out with "Bradley's Patent Enamel Paint," for which C. P. Knight, No. 93 West Lombard Street, is agent, and to testify to its superiority over any and all other paints for similar uses. In no private dwelling can paint possibly be subjected to the very severe test it undergoes at this establishment, where, during our daily cleaning, soap and soda are constantly applied to it, and yet it remains as sound and firm as when first put on. Of the numerous advantages it possesses over other paints, I will only mention its being mixed and ready for use in quantities to suit purchasers its quickly drying properties, which saves much time in the execution of work where paint is needed, and its very perceptible tenacity, which imparts beauty and durability to the objects on which it is used. As such I most cordially recommend it to the merchant and tradesman of our city, believing it will give them greater satisfaction than they can possibly anticipate.

WM. E. SINN,
Front Street Theatre.

CHAMBERSBURG, December 10th, 1872.

MR. C. P. KNIGHT—DEAR SIR: The paint we received from you have given entire satisfaction in covering up qualities, in gloss, and in adaptability to all kinds of surface of material, and we cheerfully recommend it, especially to that class of consumers who have to depend upon unknown parties, or painters, to mix and furnish materials, where we have found the most perfect.

Yours, truly,
JACOB STOFFER & SON.

MARYLAND LINE, BALTIMORE COUNTY, MD., December 24th, 1872.

C. P. KNIGHT, ESQ.—Agent for Bradley's Patent Enamel Paint, Baltimore—DEAR SIR: The paint which I purchased from you has given entire satisfaction, so much so that all my neighbors intend following my example, and have my better after it is put on than any paint I ever saw. The painter I have employed is delighted with it. He says that he can paint twice as fast, and at the same time do a better job, with the enamel paint, than any other paint he ever used.

Can therefore without hesitation recommend it to the public as one of the very best articles of paint ever introduced. Yours, very truly, JAMES HALL.

BEI AIR, MARYLAND, March 4th, 1872.

MR. C. P. KNIGHT—DEAR SIR: I have been using since last spring, Bradley's Patent Enamel Paint, and am happy to say that it gives entire satisfaction where ever I have used it, and to parties to whom I have furnished it for other painters and have their houses painted. It is not only durable and cheap, but it looks better after it is put on than any paint I ever saw. The painter I have employed is delighted with it. He says that he can paint twice as fast, and at the same time do a better job, with the enamel paint, than any other paint he ever used.

Can therefore without hesitation recommend it to the public as one of the very best articles of paint ever introduced. Yours, very truly, JAMES HALL.

Yours, truly,
E. C. GARRETTSON, House and Sign Painter.

C. P. KNIGHT—DEAR SIR: I have used Bradley's Patent Enamel Paint on my house last Spring, and am much pleased with it, and it looks as well now as when first I painted it, and consider it a good Paint. Yours, truly, A. H. STRASBAUGH, Greaswell P. O., Hartford Co., Md., Feb. 6th, 1873.
